ANBC Trill™ Expert National – Gold Coast Important Announcement

The SQBBA and ANBC wish to advise all exhibitors and attendees that, due to unforeseen circumstances, Richard Miller (UK) has unfortunately had to withdraw from attending the upcoming ANBC Trill™ Expert National on the Gold Coast.

Whilst this is disappointing news, we are pleased to confirm that Richard will still be presenting his scheduled presentation via Zoom on the Saturday evening of the event. This will provide everyone with the opportunity to benefit from his knowledge and experience, albeit remotely.

The SQBBA and ANBC are also pleased to announce that Kev O'Callaghan has accepted the invitation to fill the fourth judging position for the event. Kev's experience and standing within the hobby ensure the judging panel will continue to operate at the highest standard.

Further announcements will be made as additional information comes to hand.

We thank everyone for their understanding and continued support, and we look forward to a successful and enjoyable ANBC Trill™ Expert National on the Gold Coast.

P.S The ANBC would appreciate that all Zones circulate this announcement through all available channels of communications e.g. FB Pages, Club Secretaries and Media Outlets.

Thanking everyone in advance....
